To whom it may concern,

We declare that the products sold by Bocks Board Packaging of Texas Inc. and have verified with our raw material suppliers for the listed raw material item requested Recycled Kraft, Freezer, Steak Paper & Butcher, they and we do not intentionally add or use conflict minerals as defined by Securities and Exchange Commission or Proposition 65. The law only applies where the regulated minerals are "necessary to the functionality or production of a product". Since they do not add to or use the minerals in the production of their products, this law does not apply to them. Raw materials purchased and provided for our converting into sheets or rolls for Green, Pink, Peach and Black Steak Paper & White Butcher & Freezer items are all confirmed to meet FDA approval.

Cordially,
